MESSAGE FROM PRESIDENT

PRIYANTHA CHANDRASEKARA

Chairman, Thames International

As President of the Sri Lanka–Canada Business Council, it is my privilege to highlight our ongoing mission to foster and strengthen the economic, trade, and investment ties between our two great nations. The SLCBC is committed to promoting mutual growth and collaboration, opening doors for Sri Lankan and Canadian businesses to thrive through strategic partnerships, shared knowledge, and innovation. Our mission to Canada underscores our dedication to deepening these relationships, driving economic prosperity, and creating lasting connections between the business communities of both countries.

By engaging with key stakeholders, government entities, and business leaders in Canada, we aim to foster dialogue that will lead to meaningful collaborations, joint ventures, and investments that align with our shared values of sustainability, innovation, and inclusivity. The SLCBC remains committed to facilitating these exchanges through networking events, business forums, and trade delegations that encourage knowledge transfer and the exchange of best practices.

As we look toward the future, the Sri Lanka–Canada Business Council will continue to work diligently to strengthen these bilateral ties, ensuring that our collaborative efforts bring long-term benefits to businesses and citizens in both countries.

THE CEYLON CHAMBER OF COMMERCE

We're here to support businesses and be their collective voice in Sri Lanka. Our diverse membership includes everyone from large corporations to small businesses, and we work closely with government institutions to help businesses thrive.

We harness our extensive networks to provide a wide range of services to help businesses grow. This includes promoting international trade and investment, sharing valuable market insights, offering educational sessions and workshops, advocating for businesses with the government, and providing essential business services like issuing Certificates of Origin, all aimed at boosting the country's economy.

We actively engage with government officials, the President, Prime Minister, and relevant Ministers, and collaborate with industry experts, economists, thought leaders, professionals and policy advocates and operate specialised committees to help shape national policies.

Additionally, our flagship events like the Sri Lanka Economic Summit and Sri Lanka Investment Forum are vital in fostering discussions on socio-economic policies and promoting a sustainable and progressive economy.
